Remarks & Notes:
 1. Formwork for concrete wall with openings and formwork
 2. Formwork for concrete slab with openings and formwork
 3. Formwork for concrete column with openings and formwork
 4. Formwork for concrete beam with openings and formwork
 5. Formwork for concrete footing with openings and formwork
 6. Formwork for concrete staircase with openings and formwork
 7. Formwork for concrete wall with openings and formwork
 8. Formwork for concrete slab with openings and formwork
 9. Formwork for concrete column with openings and formwork
 10. Formwork for concrete beam with openings and formwork
 11. Formwork for concrete footing with openings and formwork
 12. Formwork for concrete staircase with openings and formwork
 13. Formwork for concrete wall with openings and formwork
 14. Formwork for concrete slab with openings and formwork
 15. Formwork for concrete column with openings and formwork
 16. Formwork for concrete beam with openings and formwork
 17. Formwork for concrete footing with openings and formwork
 18. Formwork for concrete staircase with openings and formwork
 19. Formwork for concrete wall with openings and formwork
 20. Formwork for concrete slab with openings and formwork
 21. Formwork for concrete column with openings and formwork
 22. Formwork for concrete beam with openings and formwork
 23. Formwork for concrete footing with openings and formwork
 24. Formwork for concrete staircase with openings and formwork
 25. Formwork for concrete wall with openings and formwork
 26. Formwork for concrete slab with openings and formwork
 27. Formwork for concrete column with openings and formwork
 28. Formwork for concrete beam with openings and formwork
 29. Formwork for concrete footing with openings and formwork
 30. Formwork for concrete staircase with openings and formwork
